

# NORTH COAST ROUND UP - 2024

Acceptance is the Key - April 12th, 13th & 14th

42nd Annual AA Conference with Al-Anon Participation

## Seaside Convention Center

415 1st Avenue - Seaside, OR 97138

force my serenity level down. I have to discard my "rights," as well as my expectations, by asking myself, How important is it, really? How important is it compared to my serenity, my emotional sobriety? And when I place more value on my serenity and sobriety than on anything else, I can maintain them at a higher level—at least for the time being.

Acceptance is the key to my relationship with God today. I never just sit and do nothing while waiting for Him to tell me what to do. Rather, I do whatever is in front of me to be done, and I leave the results up to Him; however it turns out, that's God's will for me.

I must keep my magic magnifying mind on my acceptance and off my expectations, for my serenity is directly proportional to my level of acceptance. When I remember this, I can see I've never had it so good. Thank God for A.A.!
